# A word from our Nipper President:

Dear Families

A warm welcome to all new and returning families for the 2022/23 season.

Last season saw a huge change not only in Surf Life Saving but that in our lives. We all had to reshape our thinking, learn to adapt quickly and manage our lives and mental health with all of the ups and downs of the year. Many of us use the outlet of our sport and activities to help us connect, debrief and recharge ourselves and the Junior Activities Committee are focused on delivering a season with as many opportunities for the children and parents to do just that.

At North Burleigh Nippers we pride ourselves on being a family friendly Club and Community.

Our goal is to ensure your child has the opportunity to learn new skills and make friends for life whilst preparing and providing opportunities to transition into the Senior and Patrolling Sectors of the Club.

Our Program is designed to provide basic surf awareness for our social Nippers, as well as quality development for our competitors.

We deliver both streams of our Program in line with our **North Burleigh P.R.I.D.E. Principles;**

**Participation | Respect | Inclusiveness | Development | Enthusiasm**

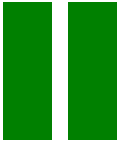

As Parents we encourage you to put your hand up and help out throughout the season. This nipper program is run through volunteer support. We ask that you respect this, thank people for their contribution whenever you can and that we continue to grow and encourage every member to lend a hand to ensure our club continues grow and thrive.

Many of you will know me already but for those of you that I haven't had the pleasure of meeting I look forward to meeting and helping you in any way I can. Please seek me out at the beach and say 'hello'.

I would like to thank you for choosing North Burleigh and welcome you as part of our NB Family.

On behalf of the Junior Activities Committee; I look forward to a fun, safe and positive Nipper Season.

Brad Rodgers  
Director of Junior Activities

# Important season information:

## **BEFORE WE BEGIN - PROFICIENCY TESTING:**

Proficiency is the foundation of Surf Lifesaving. Regular testing of skills ensures safety and helps keep vital lifesaving skills up to date.

Our nippers are required to demonstrate certain proficiencies in order to safely participate in the nipper program and to safely enter competitions (age dependent).

If you have not yet provided your children's signed Pool Swim Proficiency Form please remember to email it through PRIOR to the first day of nippers.

**Without this form your child will not be allowed to participate.**

Age Managers will take their age groups through their beach and competition competencies during nippers, pending favorable conditions.

All age groups will complete their Age Award over the course of the season.

# Providing a **safe & enjoyable** environment for everyone

At North Burleigh we place the safety and welfare of children & youth above all else. We have several policies and guidelines that we follow to ensure all juniors participating in lifesaving activities are doing so in a fun, enjoyable and risk-free atmosphere.

One policy that we are required to follow is that all volunteers over the age of 18 must hold a "Blue Card" before they start volunteering, regardless of how often they come in contact with children and young people.

The Working with Children (also known as Blue Card) is a detailed check of a person's police information (if any). We are bound to comply with Surf Life Saving regarding their Blue Card Screening Policy.

For information regarding the SLSQ Blue Card Screening Policy, please visit the North Burleigh SLSC website ([www.northburleighslsc.com.au](http://www.northburleighslsc.com.au)) or SLSQ website ([www.lifesaving.com.au](http://www.lifesaving.com.au)). All forms are also available on our website or at the Surf Club office. A Club officer must sight the required identification in person and all forms must be submitted through the Surf Club office.

We appreciate the valuable contribution of our volunteers and staff in making a member's time at North Burleigh a positive one and we appreciate your feedback when presented to us in a constructive and positive manner.

If at any time, you have a grievance or suggestions on how we can make your experience at North Burleigh SLSC a better one, please contact the Junior Secretary, Surf Club office or approach an Age Manager who will assist you with further information.

## Team Selection - Competition

North Burleigh has a strong history of surf sports competition and engagement of our nippers in the many surf sports events that are conducted throughout the season is encouraged.

Team selections are based on performance at previous carnivals, nipper days, championships days and training. Team selections are by a selection panel, which includes both Age Group Managers and Coaches. The ultimate decision on all teams lying with the head coach. Teams can include nippers from an age group below, however this is not to affect any nipper competing in that current age group.
